# THE DEPENDENT AT-HOME CARE PROGRAM

**Blue Cross  
Blue Shield**  
of Florida

An Independent Licensee of the  
Blue Cross and Blue Shield Association

# THE DEPENDENT AT-HOME CARE PROGRAM

Unexpected absences from work that arise when employees are faced with breakdowns in their regular dependent care arrangements or a dependent's illness can cause a tremendous amount of stress for working families, and productivity losses for our Company.

Unanticipated work demands or schedule changes also may create needs for dependent care that must be arranged on short notice.

**Blue Cross and Blue Shield of Florida, Inc.®** understands the relationship between family life and effectiveness in the workplace, and is committed to assisting our employees in balancing their work and family needs.

# WHAT IS THE DEPENDENT AT-HOME CARE PROGRAM ?

Blue Cross and Blue Shield of Florida introduced the Dependent At-Home Care Program in 1992 to provide in-home care for dependents of any age that reside in the employee's home and are ill, unable to attend school or day care facilities or otherwise unable to care for themselves during an employee's scheduled work hours.

Employees wishing to participate in the program are required to complete a registration form with the provider prior to services being rendered. Requests for services are made by the employee on an "as needed" basis. The Company subsidizes a portion of the hourly fee up to a maximum of 80 hours per employee each calendar year for mildly ill and back-up or emergency dependent care. There is no carry-over provision for unused hours at the end of the calendar year. Services are provided at a four (4) hour minimum.

# WHAT SERVICES ARE PROVIDED?

## Ill Dependent Care

**MILDLY ILL** services are available when your child or other dependent loved one is too sick to attend school or day care facilities, but not seriously ill. These services are provided in the comfort of your home and contracted through **KELLY ASSISTED LIVING® SERVICES, INC.**, a subsidiary of Kelly Services, Inc. Mildly ill care is provided by a professional Homemaker or Home Health Aide as determined by Kelly Assisted Living. Services with Kelly Assisted Living are effective August 1, 1995 and subject to the rates outlined below:

Ill Dependent Care	Kelly's® Hourly Rate (max. 80 hrs/calendar year)	BCBSF Pays	Employee Pays
Homemaker	\$ 9.85	\$6.85	\$3.00
Home Health Aide	\$11.65	\$8.65	\$3.00

- *hours in excess of 80 in a calendar year will be billed directly to the employee at 100% of the hourly rate.*

Employees are required to pre-register with Kelly Assisted Living **prior** to services being rendered. There is no pre-registration fee through Kelly Assisted Living for new participants to the program. Your employee contribution will be automatically deducted from your pay-check after services are rendered.

**NURSING CARE** required at the RN or LPN level will be discounted to Blue Cross and Blue Shield of Florida employees five percent (5%) and be based on the rates of the individual branches. If this level of care is determined to be necessary for your dependent by Kelly Assisted Living, the Company will subsidize the hourly rate at the same dollar amount as mildly ill care provided by a Home Health Aide. The employee pays the difference through payroll deductions.

*Example:*

Nursing Services through Kelly Assisted Living		
RN - Jacksonville Hourly Discounted rate	BCBSF Pays/Hour (max. 80 hrs/calendar year)	Employee Pays/Hour
\$27.10	\$8.65	\$18.45*

- *hours in excess of 80 in a calendar year will be billed directly to the employee at 100% of the hourly rate.*

## Back-up or Emergency Dependent Care

***What happens when your normal dependent care arrangements break down?*** You miss work, your spouse misses work, you arrive late to work or leave work early . . . Regardless of the reason, your Dependent At-Home Care Program can help. Through the resource and referral services provided by **THE DEPENDENT CARE CONNECTION® (DCC)**, knowledgeable counselors research, screen and pre-qualify Providers who are able to offer child and adult care services on an emergency basis. These providers may include:

- Home Health Care Agencies
- Nanny and Baby-Sitting Agencies
- Drop-in Care Providers

Employees must call **DCC** to make initial arrangements **before** emergency services are needed since most providers require that you register with them in advance. This will help ensure that services are available when you need them.

Blue Cross and Blue Shield of Florida will subsidize the hourly cost of back-up or emergency dependent care **referred by DCC**. Employees will pay the provider at the time of service and submit receipts to the Compensation and Benefits department in Jacksonville for reimbursement.

DCC Referral to Local Provider	BCBSF Pays/Hour (max. 80 hrs/ calendar year)	Employee Pays
Hourly rate varies	\$6.85	the difference*

- *hours in excess of 80 in a calendar year will be billed directly to the employee at 100% of the hourly rate.*

## WHO ARE THE PROVIDERS OF THESE SERVICES?

**KELLY ASSISTED LIVING® SERVICES, INC.** was established in 1976 to meet the growing need for quality in-home care. They provide affordable care and companionship for dependents in the comfort of their home. Kelly Assisted Living provides Homemaker and Home Health Aide level service, with many branches also providing skilled

nursing services. Trained caregivers assist the dependent with everyday activities such as meal preparation, dressing and bathing. They assist individuals with disabilities, Alzheimer's disease, those recovering from surgery or other serious illnesses and mildly ill children. **Kelly Assisted Living does not provide well child care.**

**DEPENDENT CARE CONNECTION (DCC)**, headquartered in Westport, Connecticut, provides employees of Blue Cross and Blue Shield of Florida with nationwide dependent care counseling and referral services. DCC counselors refer employees directly to the agencies and programs that offer appropriate back-up care or emergency care services in the local area. DCC's counseling and referral services are free of charge. However, employees are responsible for the fees associated with the services selected.

## HOW DO I ARRANGE FOR SERVICES?

Employees wishing to participate in the Dependent At-Home Care Program for mildly ill or back-up/emergency dependent care must complete a registration form prior to requesting services.

**For Mildly Ill Or Nursing Care Services**, call one of the **Kelly Assisted Living** offices in your community listed in this brochure. A Kelly Assisted Living representative will conduct a needs assessment prior to services being rendered to

determine the type of care that will best suit the client's needs. Kelly Assisted Living Caregivers work as an extension of the client's family, assuming the tasks, care and companionship that family members are unable to provide due to full-time work schedules.

***Safety and peace-of-mind*** are two of the most important factors in anyone's life. It's good to know that Kelly Assisted Living is part of Kelly Services, Inc. Kelly Services is well known as one of the most trusted and reliable service organizations in the world. As such, they have had years of experience in screening and hiring the most qualified applicants. All employees of Kelly Assisted Living undergo a stringent 10-step hiring process which includes criminal and abuse background checks, a TB skin test PPD (Mantoux) and/or chest x-ray stating that the individual is free from infectious tuberculosis. To further ensure quality care, all Kelly Assisted Living Caregivers are closely supervised by a branch manager who has been professionally trained and is supported by the strong Kelly national organization. All Assisted Living caregivers are insured and bonded by Kelly.

**For Back-Up Care Or Emergency Care** for your dependents, simply call **THE DEPENDENT CARE CONNECTION** toll-free: 1-800-873-4636. Individual's who are hearing impaired should call 1-800-873-1322. DCC counselors are available from 8:00 a.m. to 8:00 pm. (Eastern), Monday through Friday to discuss your situation: what type of care you prefer, your location, your budget, the hours for which you need care and any other key information.

On weekends, holidays and at all other times, on a 24-hour basis, you can leave a message with a live answering service and a DCC Counselor will respond promptly. The DCC Counselor will call back with a list of appropriate providers, including fees, locations and contact telephone numbers. A printed copy of the referral information will also be sent to your home. You select the caregiver.

## A FINAL NOTE

In all instances, information provided to you by DCC or Kelly Assisted Living about a particular provider or program does not mean that DCC, Kelly Assisted Living or Blue Cross and Blue Shield of Florida, Inc. endorses or guarantees those services. Every effort has been made to ensure the accuracy of information provided; however, it cannot be guaranteed. In your follow-up interviews with dependent care providers, be sure to verify all information you have been given. The final decision about any dependent care arrangements can be made only by you.

Compensation and Benefits: 904/791-6408

Dear New Employee, Spouse and Dependent Children:

A Federal law known as COBRA (*Consolidated Omnibus Budget Reconciliation Act of 1985*) gives employees, their spouses and dependent children who are covered under the employer's group health plans the right to elect to temporarily continue health coverage at group rates (continuation coverage). This notice will summarize **your** rights and obligations under the continuation coverage provisions of COBRA. (*Both you and your spouse, if applicable, should take the time to read this notice carefully, since it may require certain action by you or your spouse.*)

**If you are covered by one or more group health plans as an employee of BLUE CROSS BLUE SHIELD OF FLORIDA, INC.,** you have the right to choose continuation coverage for yourself, your spouse and covered dependent children, if you, your spouse or covered dependent children lose group health coverage under the plans due to a reduction in your hours of employment or the termination of your employment.

**If you are the covered spouse of an employee of BLUE CROSS BLUE SHIELD OF FLORIDA, INC.,** you have the right to choose continuation coverage for yourself and your covered dependent children, if you or your covered dependent children lose group health coverage for any of the following reasons:

- the death of your spouse;
- the reduction of your spouse's hours of employment or the termination of your spouse's employment;
- divorce;
- your spouse first becomes, after the date of the COBRA election, entitled to Medicare.

**The covered dependent child of an employee** has the right to continuation coverage if group health coverage is lost for any of the following reasons:

- the death of the employee;
- the reduction in hours of the employee's employment or the termination of the employee's employment;
- parents' divorce;
- the employee first becomes, after the date of the COBRA election, entitled to Medicare; or
- the dependent ceases to be a "dependent child" under the terms of the plans.

It is our responsibility as the employer to notify CobraServ in the event of the employee's death or when the employee's hours have been reduced.

**The covered employee, spouse, or dependent child** has the responsibility to directly inform CobraServ of a divorce or when a child loses dependent status under the group health plans. Written notice to CobraServ at the address provided below must be made within 60 days of the later event (the date of the qualifying event, or the date that the qualified beneficiary would lose coverage as a result of the qualifying event). If notice is not made within 60 days, rights to continue coverage will terminate. The written notice should include the following information:

A member of the Blue Cross and Blue Shield Association,  
An Association of Independent Blue Cross and Blue Shield Plans

(Over)

Dependent's Name:		
Social Security Number:		
Dependent's mailing address:		
Sex:	Marital Status:	Date of Birth:
Relationship to employee:		
Employer's name:		
Employee's Social Security Number:		
Reason for loss of coverage:		
Date of loss of coverage:		

When CobraServ is notified that one of these events has happened, they will notify the qualified beneficiary(ies) losing coverage of the right to choose continuation coverage. If you do not choose continuation coverage, your group health insurance coverage will end in accordance with the provisions outlined in your certificate of coverage.

If you choose continuation coverage, we (as your employer) are required to provide coverage which is identical to the coverage provided under the plan to similarly situated employees or family members. Under the law, the qualified beneficiary(ies) losing coverage has either 60 days from the date of loss of coverage or from the date of the notice to elect continuation coverage, whichever is later. You have 45 days from the date of the initial election to make your first premium payment and any other premium payments that are due for periods of coverage that end before 45 days from the date of that election. Subsequent premiums must be paid in full within 30 days of each premium due date.

If continuation coverage is elected, the law requires that you be afforded the opportunity to maintain continuation coverage for 36 months beginning with date of the qualifying event unless you lost group health coverage because of a termination of employment or a reduction in hours. In that case, the required continuation coverage period is 18 months measured from the qualifying event date. (An extension to 29 months is available under certain circumstances to disabled persons.)

The law also provides that your continuation coverage may end sooner for any of the following reasons:

- your employer no longer provides group health coverage for any of its employees;
- the premium for your continuation coverage is not paid in a timely manner;
- you first become, after the date of the election, covered under any other group health plan which does not contain a pre-existing condition exclusion or limitation that would apply to the qualified beneficiary;
- you first become, after the date of the COBRA election, entitled to Medicare.

You do not have to show that you are insurable to choose continuation coverage. However, under the COBRA law, you will have to pay the group rate premium for your continuation coverage plus an administration fee, if applicable. The law also requires that, at the end of the 18-month or 36-month continuation coverage period, you must be allowed to enroll in an individual conversion health plan if one is provided under your employer's group health plan.

If you have any questions about COBRA, please contact CobraServ at (813) 787-2558. The address is:

CobraServ National Service Center  
29399 U.S. Highway 19 North  
Clearwater, FL 34621

◆ Day Care Center (weekly) .....	_____
◆ Nursery School (weekly).....	_____
◆ After-School Care (weekly).....	_____
<b>Total</b> .....	<b>\$</b> _____
<b>Number of weeks of care provided</b> .....	_____
<b>Total Dependent Care Account</b> ..... (maximum deposit of \$5,000)	<b>\$</b> _____

## WORKSHEET FOR ESTIMATING HEALTH CARE EXPENSES

Use the following worksheets to help you estimate how much to deposit into your SelectFund Account and reduce your risk of forfeitures:

	Your Actual Expenses For 1994	Your Estimated Expenses For 1995
<b>Health Care Expenses</b>		
• Deductibles .....	\$ _____	\$ _____
• Coinsurance .....	\$ _____	\$ _____
• Actual Out-of-Pocket (non-covered expenses) .....	\$ _____	\$ _____
<b>Dental Expenses</b>		
• Deductibles .....	\$ _____	\$ _____
• Coinsurance .....	\$ _____	\$ _____
• Actual Out-of-Pocket (non-covered expenses) .....	\$ _____	\$ _____
<b>Other Health Care Expenses</b>		
• Vision Care .....	\$ _____	\$ _____
• Hearing Care .....	\$ _____	\$ _____
• Other (non-covered expenses) .....	\$ _____	\$ _____
<b>Total Health Care Account</b> .....	<b>\$ _____</b>	<b>\$ _____</b>
<b>(maximum deposit of \$3,000)</b>		

**BLUE CROSS AND BLUE SHIELD OF FLORIDA, INC.**  
**TABLE**  
**THE FAMILY AND MEDICAL LEAVE ACT OF 1993 (FMLA)**

REASON FOR LEAVE	COVERED PRIVATE EMPLOYERS	ELIGIBLE EMPLOYEES	AMOUNT OF LEAVE	INTERMITTENT OR REDUCED LEAVE SCHEDULE	RELATIONSHIP TO PAID LEAVE	FORESEEABLE LEAVE	CERTIFICATION	MAINTENANCE OF HEALTH BENEFITS	RESTORATION TO POSITION
<b>Birth of an employee's child and to care for such child</b>	Employers employing 50 or more employees for each working day during each of 20 or more calendar weeks in the current or preceding calendar year.	Employed by BCBSF for at least 1040 hours over the past 12-month period and worked for BCBSF for at least 12 months.	Up to 12 weeks <sup>1</sup> of unpaid leave in a 12-month period, based on the employee's adjusted service date (BED).	Employee and employer must agree.	BCBSF will reduce the 12 weeks of FMLA leave by any paid disability leave which occurs during the adjusted service date (BED) year.	Employee must provide employer with at least 30 days' written notice.	N/A	BCBSF will maintain group health coverage for an employee on FMLA leave.	Employees will be returned to previous or comparable position with same pay and benefits <sup>2</sup> . Written notice of intent to return to work must be given at least 30 days prior.
<b>Placement of a child with employee for adoption or foster care</b>	Same as above	Same as above	Same as above	Same as above	Same as above	Same as above	Adoption or foster care legal documents.	Same as above	Same as above
<b>To care for employee's spouse, child or parent with a serious health condition</b>	Same as above	Same as above	Same as above	Can be taken when medically necessary but employer can require employee to take an alternative position temporarily.	Same as above	Employee must provide employer with at least 30 days' notice. If leave is for planned medical treatment, employee must make effort to schedule treatment so as not to disrupt employer's operations.	Employer may require a medical certification and two subsequent opinions from health care providers to justify leave for a serious health condition.	Same as above	Same as above
<b>Employee's own serious health condition that makes the employee unable to perform his or her job</b>	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3	See STD Policy # 6.3

1. Eligible spouses employed by BCBSF are limited to aggregate of 12 weeks of leave during their adjusted service year for birth or placement of a child, or the serious health condition of an employee's parent.
2. BCBSF may deny restoration to a salaried employee who is among the highest paid 10% of all employees employed within a 75-mile radius if restoration would result in "substantial and grievous economic injury" to the Company's operations.

The FMLA was enacted on August 5, 1993.

## Instructions:

1. Estimate your expenses on the SelectFund Expense Worksheet.
2. Complete this form. Check the boxes below to indicate whether you wish to enroll in or both SelectFund account(s).
3. Specify your plan year deposit amount for each.
4. Sign your name at the bottom.
5. Return white, yellow and pink copies to your Compensation and Benefits Department by the enrollment deadline. Keep the gold copy for your files.

**All changes become effective January 1, 1998**

**No changes will be accepted after December 5, 1997.**

**You will be mailed a statement confirming your selections.**

P. O. Box 1798  
Jacksonville, Florida 32231-0014

**TO:** All Employees

**FROM:** Carol Corn *CAC*  
Director, Human Resources

**SUBJECT:** Blue Ribbon Benefits Annual Enrollment Options  
**November 17 - December 5, 1997**

**DATE:** November 14, 1997

For 1998 BCBSF is offering a more comprehensive benefits package, allowing employees more choices to meet their diverse needs.

This package includes a description of the health, life and SelectFund benefits you chose for 1997. If you do not wish to change your health, dental or life coverage, you do not need to re-enroll. However, you must re-enroll every year in the SelectFund Program. And you must enroll if you choose to add the new pre-paid vision care program.

The table below describes the employee cost for health, dental and vision care.

Enrollment for 1998 benefits programs will begin **November 17, 1997**. All changes must be received no later than **December 5, 1997**.

**NEW for 1993**

**Vision Care** In addition to the discount program currently available to BCBSF employees, Cole Vision is offering a program which includes:

Annual eye exam, frames clear, single-focus, uncoated plastic lenses, a contact lens allowance, and an out-of-network reimbursement schedule

*See the enclosed information sheet for more details.*

**Life Insurance** Spouse: options are now \$5,000 (new), \$10,000 and \$25,000 (new)  
Dependent: options are now \$3,000, \$5,000 (new) and \$10,000 (new)

*See the enclosed information sheet for more details*

**Dental** Employees may choose a coverage option different from the health care option. For example, you may have single health care coverage and elect family dental care, or have family health coverage and elect single dental care; or you may keep them together.

**Your 1998 Twice Monthly Employee Contributions (first and second check of each month)**

Coverage Options	Full Time Employees		Part-Time Employees	
	Single	Family	Single	Family
<b>HMO</b>	\$13	\$30	\$34	\$73
<b>PPC</b>	\$13	\$30	\$34	\$73
<b>Traditional*</b>	\$36	\$82	<i>Not Avail.</i>	<i>Not Avail.</i>
<b>Dental Care</b>	\$2	\$4	\$3	\$8
<b>Vision (new)</b>	\$5.90 (monthly)	\$14.45 (monthly)	\$5.90 (monthly)	\$14.45 (monthly)

*\*Not accepting new enrollments*

**Enclosures:** Enrollment Instructions    Life Insurance Changes    SelectFund Information  
Vision One Information    Extension of Eligibility for Certain Dependents

# IMPORTANT NOTICE

## **Group Term Life Insurance Imputed Income**

Employees are required to pay income tax on the value of group term life insurance provided by their employers. If your group term life insurance policy provided by Blue Cross Blue Shield of Florida is more than \$50,000, you are already being taxed on the policy. The taxable value of your group term life insurance is noted on your pay advisory as "imputed income."

Effective January 1, 1998 Blue Cross Blue Shield of Florida will be required to deduct payroll taxes for spouse and dependent group term life insurance policies worth more than \$2,000.

## Employee Group Life Insurance Program 1998 Changes and Rates

Current		New	
Option	Cost	Option	Cost
Spouse      \$10,000	\$1.80 per month	Spouse      \$ 5,000 \$10,000 \$25,000	\$0.90 per month \$1.80 per month \$4.50 per month
Dependents (one or more) \$ 3,000 • age at least 14 days but less than 19 years (unmarried) • age 19 years but less than 25 years (unmarried student)	\$1.50 per month	Dependents    \$ 3,000 \$ 5,000 \$10,000	\$1.50 per month \$2.50 per month \$5.00 per month

Coverage for employees remains the same for 1998.

## EXTENSION OF ELIGIBILITY FOR CERTAIN DEPENDENT CHILDREN

The eligibility limiting age for a Dependent Child is to the end of the Calendar Year in which such Dependent Child reaches age 19. This limiting age may be extended for certain Dependent Children as set forth below. In the event a claim is denied for the stated reason that the child attained the eligibility limiting age, it is the Insured's sole responsibility to establish that the child meets the applicable requirements for extended eligibility. Additionally, BCBSF may require acceptable documentation that a child meets and continues to meet such requirements at any time. This extended eligibility provision does not modify any eligibility requirement other than the limiting age requirement.

### A. OVER AGE DEPENDENT CHILDREN

A Dependent Child may be covered until the end of the Calendar Year in which the child reaches age 25, if the child meets all of the following requirements:

1. The child is dependent upon the Certificate Holder for support; **and**
2. The child is living in the household of the Certificate Holder, or the child is a full-time or part-time student.

If any one of these requirements for extended eligibility ceases to exist, the extended eligibility will terminate on the last day of the month in which the child no longer meets the requirements.

### B. HANDICAPPED CHILDREN

A Dependent Child who is and continues to be incapable of self-sustaining employment by reason of mental retardation or physical handicap, the symptoms or causes of which existed prior to such child's 19th birthday, and is and continues to be chiefly dependent upon the Certificate Holder for support and maintenance may remain eligible for coverage under this Contract as a Dependent Child. This extended eligibility shall terminate on the last day of the month in which the child does not meet the requirements for extended eligibility as a handicapped child.

### DEPENDENT VERIFICATION

Based on the above dependent criteria, please provide the following information for ***any dependent over the age of 19***:

Employee Name: \_\_\_\_\_  
(PLEASE PRINT)

Employee's Contract Number: \_\_\_\_\_

Dependent's Full Name: \_\_\_\_\_  
(PLEASE PRINT)

Dependent's Birth Date

1. Please specify all PRIMARY beneficiary(ies) and the percent of their share. More than one primary beneficiary listed. Life insurance proceeds can only be provided to a minor if a will exists. If there is no will and a minor has been named as a beneficiary, the proceeds will be paid to your estate.
2. CONTINGENT beneficar(ies) do not receive any proceeds unless ALL of your PRIMARY beneficiary(ies) are deceased.
3. **SIGN** and **DATE** on signature line provided in the lower **LEFT** corner on the **BACK** of the card.
4. Mistakes can be corrected but each one must be initialed. NO WHITE OUT.

## INTER OFFICE MEMO

HR Program Development and Consulting Services

TO: All Employees

DATE: 12-2-97

FROM: Carol Corn, Director - Human Resources

SUBJ: 1998 BENEFITS ANNUAL ENROLLMENT UPDATE

During the week of November 17<sup>th</sup>, annual enrollment materials for the 1998 Benefit year were mailed to your home. To provide you with adequate time during this Holiday season to consider your benefit choices, we are extending the enrollment deadline from Friday, December 5<sup>th</sup> to Friday, December 12<sup>th</sup>. If you did not receive the material at home, please call the number below for this information.

### IF YOU WISH TO:

1. change your health care enrollment;
2. change dental care coverage;
3. enroll in Selectfund;
4. change spouse and dependent life insurance coverage amounts; and/or
5. enroll in the new vision program,

**CONTACT 1-800-477-3736 Extension 50121**  
**7:30 a.m. to 6:00 p.m. Eastern Time, Monday through Friday.**  
**The last day to enroll is December 12, 1997.**

If you do not wish to change your health, dental or life coverage, you do not need to re-enroll. However, you must re-enroll every year in the SelectFund Program. You must also enroll if you choose to add the new pre-paid vision care program.

**Staff will be available to answer questions you may have at information tables set up at the following Jacksonville locations and times:**

DC1-1 Cafeteria	Tuesday, December 2, 1997	9:00 A.M. to 2:00 P.M.
	Tuesday, December 9, 1997	11:00 A.M. to 2:00 P.M.
ROC-3 Cafeteria	Wednesday, December 3, 1997	11:00 A.M. to 2:00 P.M.
FC1-1 Cafeteria	Thursday, December 4, 1997	11:00 A.M. to 2:00 P.M.
CP9-1 Lobby	Friday, December 5, 1997	11:00 A.M. to 2:00 P.M.

If you are located outside of Jacksonville, please refer questions to the phone number above and the operator on hand will ensure your questions are answered.

More detailed instructions regarding the enrollment process have been provided on the reverse side of this memorandum.

**TO CHANGE HEALTH CARE COVERAGE or DENTAL CARE COVERAGE, PLEASE HAVE READY:**

1. name, birth date, Social Security Number for each person covered; and/or
2. if changing to HMO, name of a Primary Care Physician for each person.

Dependents ages 19 to 25 who are included in your health care coverage must be re-enrolled each year.

**TO ENROLL IN SELECTFUND FOR 1998, PLEASE HAVE READY:**

1. name, birth date, Social Security Number for all eligible dependents; and
2. amount to be contributed by end of 1998

## Table of Contents by Chapter

Dear Subscriber,

This directory has been developed to assist you in taking full advantage of the key features of the Dental Assistance Plan offered by Blue Cross and Blue Shield of Florida (BCBSF). This program helps protect you from the high cost of dental services and provides you broad access to licensed dentists throughout the state of Florida.

To take full advantage of the special features of BCBSF's Dental Assistance Plan, you should use the services of BCBSF's Participating Dental Providers whenever you need dental attention. With these dental care providers, your out-of-pocket expenses will usually be lower than with providers not participating in BCBSF's Dental Assistance Plan Program.

**What is a Dental Assistance Plan Participating Provider and what are the advantages of utilizing these providers for dental care services?**

BCBSF has entered into a unique agreement with many Florida dentists. We refer to these dentists as participating dentists. **BCBSF participating dentists have agreed to honor the Schedule of Allowances in your Dental Assistance Plan as payment in full except for coinsurance, deductibles and non-covered services. Also, a participating dentist will file claims for you and will only collect for any deductible, coinsurance or non-covered service.** BCBSF will make payment directly to your dentist.

**Non-participating dentists have not agreed to accept the Schedule of Allowances in the Dental Assistance Plan and can charge you more.**

Please note: This directory is for general informational purposes only and is not a part of the benefit contract. Please use your benefit contract for a full description of your dental benefit plan. In the event of any inconsistency between this document and the benefit contract, the terms of the benefit contract shall govern.

This directory contains the dentists participating in BCBSF's Dental Assistance Plan program as of the date printed. To ensure the maximum benefit from your plan, please verify the participation status of a provider before services are rendered. It is the subscribers sole responsibility to verify the provider's participation status prior to obtaining services or supplies. Failure to do so may increase your out-of-pocket expenses.

Additionally, this booklet is not intended to serve as an endorsement of any dentist, nor is it a reflection on any dentist's fee structure. This booklet simply identifies for you those dentists who have agreed to participate with BCBSF in this program.

The first of these is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The second is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The third is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The fourth is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The fifth is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The sixth is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The seventh is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

The eighth is the fact that the Commission has not yet received any information from the Member States as to whether they have taken any steps to implement the recommendations of the Commission's report.

## INTRODUCTION

The introduction to this directory has been developed to assist you in understanding the key features of the Preferred Patient Care (PPC) product offered by Blue Cross and Blue Shield of Florida, Inc. (BCBSF). The product helps protect you from the high cost of health care services and provides you broad access to licensed health care providers.

To take full advantage of the financial incentives and special features of BCBSF's PPC product, you should use the services of PPC Participating Providers whenever you need medical attention. Your out-of-pocket expenses will usually be lower by using these health care providers than with providers not participating in BCBSF's PPC product.

This directory is for general informational purposes only and is not a part of the benefit contract. Please use your benefit contract for a full description of your benefit plan. In the event of any inconsistency between this document and the benefit contract, the terms of the benefit contract shall govern.

### ***Important***

*This directory contains the most current information available (at the time of printing) of PPC providers in your area. The PPC network is subject to change any time without the consent of or notice to you. It is your responsibility to verify the participation status of a provider before services are rendered.*

*You should contact your Blue Cross and Blue Shield of Florida, Inc. office or the provider's office if you have any questions regarding a provider's participation status in the Preferred Patient Care Program.*

### **SELECTING A PPC NETWORK PROVIDER**

The health care providers listed in this directory are PPC Participating Providers and have contracted with BCBSF. Their participation in BCBSF's programs for our subscribers with PPC Insurance coverage will help moderate the rise in health care costs.

To locate a PPC provider in your area, look up your county, which is listed alphabetically. The available PPC Providers, their addresses and telephone numbers are listed under each county. The Hospitals are listed first, followed by Specialty Facilities, Dialysis Centers, and Physicians and Other Providers. A separate listing of Independent Clinical Laboratories can be found at the back of the directory before the index.

The index in the back of the directory lists all the PPC health care providers alphabetically, their specialties and the page(s) on which they appear.

When you visit a PPC provider, you should only pay the applicable deductible(s), coinsurance or copayments with respect to services covered under your benefit agreement (refer to your PPC Certificate of Coverage). Any services and supplies not covered by your contract benefits will also be your responsibility.

If you are referred to another provider, you should determine if that provider is a PPC Provider. In most cases, using PPC Providers will be to your financial advantage.

**CARRY YOUR  
IDENTIFICATION CARD  
WITH YOU**

As a member of Preferred Patient Care, you or your eligible dependents must use the PPC identification card to identify yourself as a subscriber whenever you need treatment. Carry your card with you, since providers must see this so you will receive the PPC benefits.

In many cases, your deductible and coinsurance amounts are indicated on your identification card. For information regarding covered services, refer to your PPC Certificate of Coverage.

**VISITING YOUR PPC  
PROVIDER**

When you visit a PPC participating provider, show your identification card and tell the receptionist you are a PPC subscriber. The first time you visit the office, you will probably be asked to sign a form to "assign benefits". By "assigning benefits," your PPC provider will file the claim for covered benefits for you and accept BCBSF's PPC allowance as payment-in-full for covered services. Blue Cross and Blue Shield of Florida will pay the provider directly. You will not be responsible for any amount due except for the deductible and coinsurance amounts, and for the payment of charges for non-covered services.

If you are required to pay anything other than the above, please call your Customer Service Representative at the telephone number listed on your identification card.

Following these easy steps when you first arrive at the provider's office will help their staff verify your eligibility, make sure that your visit is billed correctly and that you receive PPC benefits for all covered services.

**NON-PPC PROVIDERS**

If you elect to use a provider who is not a member of the PPC network, reimbursement will be made at a reduced level, and the provider may bill you for amounts in excess of BCBSF's payment allowance (i.e., PPC schedule amount). These additional expenses could significantly add to your out-of-pocket expenses. A provider who is not a member of the PPC network may not be contractually required to file the claim for you.

**PRECERTIFICATION**

Under the Admission Certification Program, hospital admissions must be certified by Blue Cross and Blue Shield of Florida. It is the PPC Provider's responsibility to obtain certification.

Your PPC Certificate of Coverage may contain provisions requiring certification of certain admissions to non-PPC facilities. It is your responsibility to obtain the admission certification when you or your covered dependents are admitted to a non-PPC facility. Failure to obtain the certification may result in significant penalties. Please consult your PPC Certificate of Coverage in order to determine if this requirement applies to your coverage.

**BALANCE BILLING  
PROBLEMS**

If you receive a bill from a Participating Provider for any amount other than deductible, coinsurance or copayment and/or non-covered services, please follow these steps:

1. Confirm with the Participating Provider that their records show you were listed as a BCBSF subscriber when you were treated and that the bill was calculated to reflect your appropriate status. Additionally, ensure that you have met your deductible and that the services were covered services under your contract.
2. Ask the Participating Provider to verify if you assigned benefits for all your care. If not, you will need to assign benefits so the provider knows to bill BCBSF for any balance due.
3. If your billing problems cannot be resolved by following either of these first two steps, call your local BCBSF Customer Service office at the number indicated on your identification card.

**LOST IDENTIFICATION  
CARDS, QUESTIONS  
CONCERNING  
CLAIMS, ELIGIBILITY  
OR BENEFITS**

To replace a lost identification card, contact the Customer Service area at your local BCBSF office or your employer's benefits office for help in getting a replacement.

To inquire about eligibility, coverage or if you have specific claims questions, call your local BCBSF office or the toll-free number listed on your PPC identification card.

**IMPORTANT NOTICE REGARDING PROVIDERS**

*References to a Participating Provider's area(s) of specialization in this directory are furnished strictly for the convenience of our subscribers in an effort to assist them in selecting a provider. BCBSF relies solely on the determination of the provider as to areas of specialization; therefore, such references are not intended to be, nor may they be relied upon, by a subscriber as a judgment or determination by BCBSF with respect to any provider's education, skill or experience in a particular area of medical practice. If you desire more information regarding areas of specialization by participating physician(s), please consult him/her. BCBSF does not provide or arrange for the provision of health care services or supplies. It is the subscriber's responsibility to select the health care provider of his or her choice. Although it is generally financially advantageous to the subscriber to select a PPC Participating Provider, the subscriber remains free to receive services and supplies from other than a PPC Participating Provider if he or she chooses. In any event, BCBSF is not responsible for any damages or associated costs arising from the actions or lack of actions of any health care provider, or of any such provider's staff.*

**NOTE:** This document is not a part of the PPC contract or Certificate of Coverage and offers only brief descriptions of many of the features of the health benefits plan available from Preferred Patient Care products. Please refer to your Certificate of Coverage for details of coverage including other benefits, exclusions, reductions, limitations, etc.

## **Information Guide**

**February 22, 1997**

## INTER OFFICE MEMO

Compensation, Benefits & HRMS

**DATE:** February 28, 1997  
**TO:** All Employees  
**FROM:** Compensation Department  
**SUBJECT:** 1996 Compensation Program

---

Attached is your copy of the 1997 Compensation Information Guide. This guide presents the 1997 Compensation Program, the Pay For Performance Chart, the salary ranges for each employee category, the 1997 Pay Period Schedule, a copy of the expanded Salary & Performance Change Reason Codes, and commonly asked questions and answers. Several new questions and answers have been added this year, specifically about salary administration. These have been shaded for your convenience in locating them.

The Compensation Program for 1997 has been approved by the Human Resources Committee and the Board of Directors and is effective February 22, 1997. Approved changes to the Program are the result of an analysis of competitive market conditions, as well as input received from management and employees.

We encourage you to review all of the materials and if you have any questions, please ask your manager, or call any of the Compensation Staff members listed in the guide.

## **1997 COMPENSATION PROGRAM GUIDE**

**Effective February 22, 1997**

---

### **OVERVIEW**

This Guide provides you with an outline of the 1997 Compensation Program, effective February 22, 1997. The Guide includes an overview of the Compensation policy, a review of the development process, a detailed narrative of the 1997 Program, the 1997 salary ranges, the 1997 Pay-for-Performance Chart, the 1997 Pay Period Chart, a copy of the expanded Salary & Performance Change Reason Codes, and commonly asked questions and answers, including some specific to salary administration.

---

### **IMPLEMENTATION SCHEDULE**

The implementation schedule for the Compensation Program year is established as follows:

Effective date of the 1997 Program.....2/22/97

Automatic Bring-to-Minimum increases.....2/22/97

Guides sent to Management.....2/28/97

Guides sent to Employees.....3/03/97

Communication to Employees by Management  
(in departmental staff meetings and/or.....3/03/97  
one-on-one meetings with employees) to 3/12/97

The Compensation Staff would be happy to provide consultative services to you when you meet with your employees. A representative is usually available between the hours of 7:30 a.m. and 6:00 p.m. Please feel free to direct any questions or concerns to any member of the Staff, HOC - 3 Overhang. You may contact:

		<u>Client Group(s)</u>
Jeff Follmer	791-6459	Sales & Marketing
Alex Harrison	791-6099	GPO, PBO, Safety & Security, Facilities, Government Relations, Legal, Public Relations & Advertising
Susan Jensen	791-6317	IS&O, EDI, GBUs, FCL, Finance & Accounting, Re-Engineering
Michele Seymour	791-8167	HCS, HRD

---

## COMPENSATION POLICY

At Blue Cross & Blue Shield of Florida, the compensation policy is to maintain our competitive position in our defined labor markets. In direct relation to this policy, our objective is to provide a cash compensation package that allows the Corporation to attract, retain and motivate qualified employees with appropriate skills, at an economically feasible cost, to meet business needs.

Supporting this objective are two goals:

- ◆ The goal for **exempt** compensation is to provide earnings opportunities equal to the average of salaries paid by a large base of national companies and managed care companies with whom we compete for labor.
- ◆ The **non-exempt** goal is to provide earnings opportunities equal to those of major employers in the metropolitan areas throughout the State with whom we compete for labor.

---

## ANNUAL PROCESS FOR DEVELOPING THE COMPENSATION PROGRAM

Each year the Company participates in approximately 30 compensation surveys to determine competitive salary practices and wages paid for jobs similar to ours.

- ◆ **Exempt** data are drawn from national and managed care surveys;
- ◆ **Non-exempt** data are drawn from surveys that are local to the cities where we have regional offices.

Using the information gathered in the surveys and our current salary structure and practices, we then compare, analyze and project new salary structures and merit increase guidelines. The normal survey review process was supplemented this year by analyzing survey data within major job families identified in the Company to better assess the competitive labor markets for 1997. The major job families identified include:

- Business Support (facilities, safety/security)
- Clerical/Administrative
- Information Systems
- Medical Management
- Professional/Technical
- Sales/Marketing
- Secretarial
- Service (claims and customer service)

Once developed, the proposed ranges are reviewed and approved by the Human Resource Committee, the CEO, and the Board of Directors.

---

**RESULTS  
OF  
MARKET  
ANALYSIS**

Analysis of competitive labor market data indicates minimal movement in base salaries for exempt ranges in most job families, and some movement for Information Systems, Sales, Non-Exempt, and Secretarial ranges through 1997.

Analysis also indicated that a merit increase budget of 4.0% is competitive in the marketplace.

---

**THE  
APPROVED 1997  
COMPENSATION  
PROGRAM**

Following is the approved 1997 Compensation Program:

- ◆ The effective date of the 1997 Compensation Program is **February 22, 1997.**
  - ◆ The current exempt range ("E" line) will be maintained in 1997, as survey data confirms that base salaries for our benchmark positions remain competitive.
  - ◆ The "D" line will be re-established as separate ranges for all Information Systems personnel, including the IS technical Directors.
  - ◆ The "M" line for sales personnel will be adjusted to reflect market data.
  - ◆ The non-exempt ranges will be adjusted to reflect market data.
  - ◆ The secretarial ranges will continue on a range separate from other non-exempt positions, and will be adjusted to reflect market data.
  - ◆ The 1997 merit increase budget for both Exempt and Non-Exempt employees will be 4.0%, with projected total cost of \$8.4 million to the Company. Salary increases for individual employees will vary from 0 to 6%.
- 

**DUAL  
CAREER  
LADDERS**

An analysis of internal and external data indicated it would be in the best interests of BCBSF to re-instate salary grades E/D 15 through 17 to parallel the current E/D 31 through 33. The parallel grades will offer career opportunities to high level individual contributors in an effort to recognize their meaningful contribution to the organization.

Although the salary ranges will parallel salary grades 31 through 33, MIP will not be part of the total cash compensation package for this parallel group at this time.

Knowledge, skills and ability criteria is in the process of being developed for these new salary grades.

---

## IMPLEMENTATION

- ◆ If an employee's salary is below minimum of his/her salary range, it will **automatically** be brought to the minimum of the salary range following the guidelines used in previous years. The adjustment to minimum will be effective February 22, 1997.

**NOTE: If the "below minimum" employee's annual review has not been completed for the past 12 month period, the adjustment to minimum cannot take place until after the annual review has been processed.**

## PAY-FOR-PERFORMANCE CHART

- ◆ The 1997 Pay-for-Performance Chart has two minor administration adjustments from the 1996 chart:
    1. This year you will not be required to split an "add to base" and "lump sum" adjustment.
      - If the employee's compa-ratio is **below** the maximum compa-ratio for the performance category, the *entire merit award will be added to base.*
      - If the employee's compa-ratio is **at or above** the maximum compa-ratio for the performance category, the *entire merit award will be lump sum.*
    2. Accelerated merit increases can be granted if **all** of the following three (3) criteria are met:
      - The employee has been in the position at least six (6) months;
      - The employee's compa-ratio is **below 1.03**;
      - The employee's performance is "exceptional" ("exceeds/commendable" or "outstanding/distinguished").
  - ◆ Updated ECNs will be distributed beginning February 27, 1997.
-

## PAY PERIOD CHART

For your convenience and information, we have included the 1997 Pay Period Chart with this Guide. Remember:

- ◆ *The effective date of any transaction is always the beginning of the pay period date.*

## CHANGE REASON CODES

Also for your convenience and information, a copy of the Salary & Performance Change Reason Codes from the Payroll and Human Resources System (PHRS) manual is included for reference. This chart is more inclusive than the codes found on the back of Employee Change Notifications (ECNs).

## QUESTIONS AND ANSWERS

Potential questions and answers about the 1997 Compensation Program, and other compensation related areas are included in this Guide to assist you in your understanding of your compensation program.

Several new questions and answers have been added this year, specifically about salary administration. You'll find these have been shaded for your convenience in locating them.

# 1997 CORPORATE PAY FOR PERFORMANCE CHART

**All Blue Cross and Blue Shield Employees**

If an employee's compa-ratio is below the maximum compa-ratio of his/her performance level, the manager can give the whole merit award as add to base. If an employee's compa-ratio is at or above the maximum compa-ratio of his/her performance level, the manager can give the whole merit award as lump sum. It will no longer be necessary to calculate a base/lump sum combination increase.

Management will have the option to grant accelerated merit increases as early as six months into the performance year to employees who meet all three of the following criteria:

- are employed in a position for at least six months
- and**
- are below a compa-ratio of 1.03 of a salary range
- and**
- whose performance is "exceptional"

## POTENTIAL QUESTIONS & ANSWERS

(Covers all employee groups.)

### SALARY RANGES

**Q: What is a salary range and how is it developed?**

A: Every year the Company participates in a large number of salary surveys, both local and national, to find out what other companies pay for jobs similar to ours. This data is then compared to current BCBSF salary range midpoints to determine how competitive our salaries are to other companies. A salary range is just what the name implies, a spread of dollars, from a minimum to a maximum. The midpoint of each salary range represents the average salary that is being paid in the local and national markets for experienced, proficient performance.

The spread for each salary range is designed to be large enough to allow for broad differences in individual performance or experience. That way, the range can accommodate the less experienced, as well as the superior performers. Where you move within your salary range depends mostly on your performance.

**Q: What do the minimum, midpoint, and maximum salaries of a position mean?**

A: The minimum of the salary range normally represents the hiring rate for a position when the candidate is less experienced or proficient as the seasoned performer in the required skills. Under certain conditions, an employee may be hired below the minimum (training rate) in recognition of the fact that the employee may not yet have all of the minimum required skills.

The midpoint represents the market value of the position--the average rate which employers in the relevant markets pay for experienced and proficient performers.

The maximum generally represents the highest economically feasible rate which the Company will pay someone for performing the duties of the position. Under normal circumstances, the range maximum is not to be exceeded. Employees earning between the midpoint and the maximum of their salary ranges are being paid a premium for sustained, **exceptional** performance.

**Q: What is meant by the term "compa-ratio"?**

A: A "compa-ratio" is the employee's *annual salary divided by the midpoint* of the employee's assigned salary range. If an employee's compa-ratio is equal to 100%, it means that their salary is equal to the midpoint of that salary range and, on average, equal to those of proficient performers in other companies with similar jobs.

#### ***Example:***

Salary Grade:	N08
Midpoint:	\$22,724
Employee's current salary:	\$19,900
Compa-ratio:	\$19,900 divided by \$22,724 equals .8757 or 87% of the midpoint.

**Q: How often are salary ranges adjusted?**

A: Compensation reviews our salary program at least once each year to see how our pay practices and range midpoints compare with other companies. When this review is completed, the Company makes any salary range adjustments which might be required to keep us competitive, and which are felt to be appropriate based on market conditions.

**Q: So, why are the exempt ranges not moving in 1997?**

A: Analysis of the market data indicates our exempt ("E" line) salary ranges are, on average, slightly ahead of the market at this time. Therefore, it was not necessary for us to move any of the ranges to remain competitive with the market base rates.

**Q: What does the term "competitive salary" mean?**

A: A competitive salary is a pay level which enables BCBSF to attract and keep qualified employees. Generally, it is neither the highest nor the lowest in the market, but somewhere near the average of the range of rates paid for similar positions by other employers.

**Q: Are there differences between "direct compensation", "indirect compensation", and "total cash compensation"?**

A: Yes.

- **Direct compensation** (also called **total cash compensation**) is the total cash payment made to an individual in a given year. It may include wages/salaries (base salary), commissions, incentives, bonuses, ad hoc cash awards, etc.
- **Indirect compensation** includes your employee benefits such as health care, life insurance, work and family, salary deferral, pension, holidays, vacation, etc.
- Combining direct and indirect compensation gives you your **total compensation**.

**Q: Was any thought given to the different economic and labor markets throughout Florida in establishing the non-exempt salary structure?**

A: Yes. Each year we compare our salary ranges to the average wages being paid by our competitors throughout Florida to ensure that our regional office personnel are paid competitively and that no significant area wage differential exists. Because we use basically the same salary surveys each year, we are able to identify and monitor existing or emerging trends. If we see significant differences, we are able to make adjustments as may be needed. This is true for not only non-exempt, but exempt ranges as well.

**Q: Were market rates analyzed statewide or by region?**

A: Market rates were analyzed two ways, both statewide and by region. In order to establish separate ranges, significant differences in market wages (defined as 5% or more) need to exist before consideration is given. Currently, the differences between regions continue to be, on average, less than 5% and therefore do not justify separate ranges. However, this continues to be closely monitored by Compensation annually.

**Q: Why are secretarial ranges different from the non-exempt ranges?**

**A:** Each year we compare our salary ranges to the average wages being paid by our competitors throughout Florida to ensure that our secretaries are paid competitively and that no significant area wage differential exists

Based upon our market data, secretaries continue to be paid above other comparable non-exempt positions within the state. Therefore, it was determined that we should keep the separate pay ranges for the two groups.

### **SALARY INCREASES & PAY-FOR-PERFORMANCE CHART**

**Q: How long does it normally take an employee to progress to the midpoint of their salary range?**

**A:** It's difficult to identify a specific time table. It depends on several factors:

1. the individual employee's performance;
2. the movement of the range due to market conditions and the fluctuations in the economy that impact the labor market; and
3. year-to-year changes in the increase percentage on the Pay-for-Performance Chart, if any.

**Q: How is the size of my annual increase determined?**

**A:** The general rule remains that the better you perform, the greater are your salary opportunities. Your increase is determined primarily by your performance.

**Q: Will I receive a salary increase if I accept a temporary assignment in a higher grade?**

**A:** Temporary salary increases are generally given to employees as a reward for fulfilling the total job requirements of a position in a higher salary grade on a temporary basis. There are guidelines which apply to these situations, such as:

- the acting role should be for at least 60 days but less than 6 months (180 days);
- temporary assignment increases generally range from 5 - 25% depending on the employee's pay level and circumstances; and
- all temporary assignments should have an established ending date.

Specific temporary increases are established on a case-by-case basis in consultation with Compensation.

**Q: Explain the difference between maximum compa-ratio and the maximum of the salary range.**

**A:** The *maximum compa-ratios* used in the Pay-For-Performance chart represents the maximum dollar amount the Company is willing to pay in base salary. The *maximum of the salary range* is the dollar amount the Company is willing to pay in base salary for jobs in that salary range, based upon market data.

**Q: Are part-time employees eligible for an annual merit increase?**

**A:** Part-time regular employees who normally work between 20 and 35 hours a week are eligible for an annual merit increase. The merit increase amount is based on the Pay-for-Performance Chart. As with full-time employees, a regular part-time employee must have at least a "Meets Expectations" rating to be considered for an increase.

Part-time employees participating in school sponsored co-op programs will not be eligible for a merit increase. These employees normally work less than a full year and are not allowed to exceed 1,000 hours annually. Compensation will consider salary adjustments for students based on market conditions.

**Q: I always have trouble calculating a merit increase for part-time employees. Can you give an example of how that's done?**

**A:** The first step in calculating a merit increase for part-time employees is to convert their part-time salaries to *full-time* amounts. Here's how it's done:

Key:  $\times$  = multiply     $+$  = add     $/$  = divide     $-$  = subtract

1. Part-time bi-weekly rate (as shown on ECN)  $\times$  Scheduled hours = Current hourly rate
2. Hourly rate  $\times$  2080 hours (number of work hours in a year) = Full-time annual salary
3. Full-time annual salary  $/$  salary grade midpoint = Compa-ratio
4. Use performance rating to determine percentage increase for which employee qualifies on the Pay For Performance chart.
5. Use compa-ratio to determine whether the increase should be given as "add-to-base" or "lump sum".
6. Percentage increase to be given  $\times$  Full-time annual salary = Annual merit increase
7. Full-time annual salary  $+$  Annual merit increase = New Full-time annual salary
8. New Full-time annual salary  $/$  2080 hours = New hourly rate
9. New hourly rate  $\times$  Scheduled hours = New Part-time bi-weekly rate
10. New Part-time bi-weekly rate  $-$  Old Part-time bi-weekly rate = Bi-weekly amount of increase

**Q: Is my salary increase based on my performance or is it strictly an across-the-board, cost of living increase?**

**A:** The Company's compensation policy is designed to reward employees solely on the level of performance. An across-the-board cost of living increase does not sufficiently differentiate between performance levels

**Q: Can an employee be hired with or promoted to a salary that is less than the minimum of their salary range?**

**A:** Yes. When a newly-hired or promoted employee does not meet the minimum requirements of the position which they assumed, a training rate below the minimum may be established. A training rate allows the employee's salary to remain below the minimum of the range for a specific period of orientation and learning (usually no longer than 6 months). Training rates are established on a case-by case basis.

### **SALARY ADMINISTRATION**

**Q: What is the procedure for processing ECNs?**

**A:** Before a manager submits an ECN for an employee, there are several steps he/she must go through to correctly complete the ECN:

1. Be sure to use *the most current* ECN. Check the upper right hand corner of the form for the date.

*NOTE: It's a good idea to purge any previous ECNs you may have on an employee when you receive an updated one. That way you'll always be sure to have the most current one on hand.*

2. Find the section of the ECN that is going to be changed. Complete the effective date of the transaction in that section. *Remember--the effective date is always the beginning of a pay period.*

3. Complete the coding required for the change. You can refer to your PHRS manual, or refer back to page 13 in this guide for available codes.

If the change is an annual review, be sure to complete both the salary coding *and* the performance coding.

*NOTE: If the review calculation results in a partial number (i.e. 6.5, or 92.3), according to Company policy, round down.*

4. Be sure to secure the proper signatures before submitting the ECN. The current policy still requires one-over-one signatures.

***NOTE: ECNs which are submitted incomplete will continue to be returned for corrections.***

Any member of the Compensation staff is available to answer your questions. If in doubt.. call us.

**Q: Do I need to complete the "new hourly" section for all salary changes? And, how many decimal places should I carry out the number?**

**A:** You only need to complete the "new hourly" section for *non-exempt* personnel. It's not required for exempt personnel. And you should carry the number out four (4) decimal places.

**Q: How is a "lump sum" calculated?**

**A:** Since a "lump sum" represents an annual dollar amount (as opposed to a bi-weekly amount), the easiest way to calculate it is to multiply the employee's annual salary by the percentage being used.

**Example:**

An employee's compa-ratio is currently 1.16 and his/her performance is an "exceeds". Using the Pay-For-Performance chart, the employee is eligible for a lump sum merit award of up to 4.25%. Using salary grade E09, the employee's annual salary would be \$39,324. Multiply the \$39,324 by 4.25% (.0425), and the lump sum amount would be \$1,617.27.

**Q: What if the "lump sum" amount is to be pro-rated?**

**A:** All you need to do is divide the annual amount by 12 (because it's an annual amount, use 12 months), and then multiply that number by the number of months being pro-rated.

**Example:**

Assume we need to pro-rate the \$1,617.27 for nine (9) months. Divide \$1,617.27 by 12 (which equals 134.7725) and multiply that number by 9. The pro-rated lump sum amount now would be \$1,212.9525, which rounds to \$1,212.95.

## **JOB EVALUATION**

**Q: Am I entitled to see a copy of my job content questionnaire?**

**A:** Yes, all employees should know what is contained in their job content questionnaire (JCQ). See your supervisor if you would like to review the JCQ for your position.

**Q: How is it determined if a job is exempt or non-exempt?**

**A:** The Fair Labor Standards Act (FLSA) provides regulations to distinguish between exempt and non-exempt jobs. This Law sets minimum wage and overtime pay regulations for office/clerical job duties and responsibilities which are termed "non-exempt". Certain types of jobs are exempt from these regulations (e.g. overtime pay) based upon salary and job content criteria. The regulations set forth under the Law require that those employees classified as Executive, Administrative, Outside Sales, or Professional meet strict requirements in order to qualify for "exempt" status. The Compensation staff uses guidelines provided in the FLSA to determine if a position is exempt or non-exempt.

**Q: Who actually evaluates the jobs?**

**A:** Compensation is held solely responsible for evaluating all jobs, assigning appropriate salary grades, and coordinating the results with requesting management. In situations where requesting management does not agree with Compensation's recommended salary grade assignment, an appeal may be made to the designated job evaluation Committee for resolution. The designated Committee may also be convened to assist in evaluating new or revised benchmark jobs, or jobs that would universally apply throughout the Corporation.

**Q: How are grades assigned to jobs?**

**A:** After the job duties of the position are defined and analyzed, the job can then be measured or "evaluated" using three factors, or "yardsticks." These factors include know-how, which measures the type and degree of knowledge and skill needed to do the job; problem-solving, which measures how the job requires that know-how to be used; and accountability, which is the measured effect of the specific job on end results.

Each of these "yardsticks" has a spread of possible points attached to it. Compensation evaluates each job by assigning points for each factor and totaling the points the job has received on all three factors. Jobs are then grouped and assigned to salary grades based on these point totals. There is a range of points associated with each salary grade, and any job which falls within the total range of points will be included within that salary grade. All of the jobs in a particular salary grade have been evaluated as having about the same internal value to the Company.

**Q: Are secretarial jobs classified using the same method?**

**A:** Within BCBSF, secretarial grade levels are determined by reporting relationship. It is important to know, however, that the knowledge, skills and abilities required for the various levels of secretaries to support management closely parallel what is required of comparable levels within the Corporation.

**Q: Are jobs evaluated based on the performance of the person doing the job?**

**A:** No, jobs are evaluated based upon the content of the job, measured by the factors of know-how, problem-solving and accountability, as described in the Hay job evaluation methodology. This job evaluation system was developed by The Hay Group, an internationally recognized consulting firm. The system has been specially designed to meet the needs of our Company. It provides an objective method of assigning grades to jobs in a consistent and equitable manner. This method of evaluation is supported by your management and is widely used throughout our competitors and American industry.

**Q: Once a job is evaluated, does the evaluation always stay the same?**

**A:** Not necessarily; because the job evaluation program is ongoing, the Corporation analyzes and possibly re-evaluates the jobs as significant changes in the job content and labor market conditions occur. For example, if a job's accountability changes significantly (i.e. 45% or more) the job should be submitted by management for re-evaluation.

### **PERFORMANCE APPRAISALS**

**Q: Who in the organization reviews performance and who determines the amount of salary increases?**

**A:** Performance appraisals are administered by the employee's immediate supervisor, who then recommends an appropriate salary action based on the employee's performance within established salary administration guidelines. Both the performance appraisal and salary action are then reviewed by successive levels of management.

**Q: What can I do if I have questions about my performance appraisal?**

**A:** If you have questions about your supervisor's appraisal of your work, you are encouraged to discuss your questions with your supervisor, or you can attach a separate, signed statement outlining your questions or concerns. Signing of the appraisal does not signify acceptance, only that you have received and acknowledge the appraisal. Your questions and concerns will be considered by management, who will review the appraisal to determine if there are any errors, misunderstandings or disagreements. If you continue to have doubts or concerns with management's appraisal, you may pursue this matter in accordance with the employee problem-solving policy.

**Q: How frequently are performance appraisals given?**

**A:** All employees are reviewed at least annually, and those employees with a "competent" or better performance rating may be considered for a merit increase based on the established salary administration guidelines. Poor performers typically receive no merit increase until competent performance is achieved through a development plan.

A manager has the option to grant an accelerated review as early as six months into the performance year under the following conditions:

1. an employee has been in a position for at least six months, **and**
2. the employee's salary is below 1.03 compa-ratio of his/her salary range, **and**
3. the employee's performance is either "exceeds/commendable" or "outstanding/distinguished".

**NOTE: All three (3) criteria must be met for the employee to qualify for an accelerated review.**
